Fax No: _____

Standard Rafters made of L.O.S.P treated pine. Other timbers by request

Steel to be rolled to the same radius (R) which is the outside edge of the rafter.

- To order your verandah rafters, we require:
1. Overall Length (L) in mm
 2. External Radius (R) in mm
(Our standard external radius is 350 mm)
 3. Size of rafter material: Standard (90x42mm)
- USE EXTERNAL MEASUREMENTS**

USE EXTERNAL MEASUREMENTS
Rafters Standard Sizes:
